1. I love you and I give you me.

2. Bulgaria going to soon, looking up? I implore you to look up "soon" not but Bulgaria, going to, "soon" or are you going to every nation's capital, not; or ARE YOU going to EVERY NATION now and establishing there Israel in its headquarters of headwaters, not; but what drink waters are backwashed no longer, but many backwashers will be backwashed no longer, not; but what backing I will have had for this project, not; comes forth, or does it in ways that defies explanations? And defining exclamatorizations, not; or do I exclamatorily profit from this, not; but a great number of PROPHETS I rise now from this "excuse" not but a great RISING now millionaires number in of being, raised up "for this" not but IN THIS I am RAISING MANY MILLIONS of PROPHETS who will be WITHOUT EXCUSE and now can HIDE NOT behind "the shield" or "the sword" of another for fear of reprisal or excuse that someone will "fear them" or see them or hear them and be "misunderstood", for I will not be Miss Understanding or Mr. Understanding or "vice versa" or antithetical roles of me reversed or not or polar ice caps melting me or not in the "microwaving devices" I bring forth, not; or am I BRINGING FORTH a great NEW MANY things that MICROWAVE not peoples accordingly but what "MICROWAVES" do I EAT no longer that are generated from each other's "brain waving devices"?

3. I do a great number of things with "seeds" do I? Not? Or do I promote promulgate and pretend, not; but what am I PROPAGATING now in propagation's testimony of me, not; but propaganda'ing me I am not, but I am forcing a great multitude on me, not; but OFF OF MY BACK I am FORCING a great MANY things now to remain UNFREED not! But FREED I am declaring the Declarations thereof this night that the Declarations of I AM am Holy and unadored not, they will not be unadorned of me for my word will be "adorned" of me by sparklers and fiction, not; but the Nonfiction Me arises who will WRITE MANY THINGS in "nonfiction forms" and forms of fiction and sorrow, not; but sorrow envelops the notme, not; or has ME been enveloped in sorrow and devices it's shamed with and others have eaten me and its blessing not that I gave it, but that I was whored with and became the whore that whored others with the whore's words, not; or was I THAT exactly?

4. And what whose CHILDREN was I eating? And what brains devices promulgating were what things that I ate and promulgated also and propagated and seeds ate

seedlings thereof and seeds propagated with other seeds of Death? Or was I The Light confused? Or cremated I shall not be now for I shall not stand CREMATIONS ceremony again for I will not STAND THERE and be BURNED like that but I will see Sorrow for what it is and I will not eradicate it not, but **my Declarations have come forth and numbered they aren't, not; for I am NUMBERING THEM and I am doing a GREAT many things to make These Words known and the decrees and declarations and proclamations have gone forth and that have gone forth are coming forth** in ways never imagined, not; for they will be imagined and not seen, not; they will be seen and unheard, not; they will be SEEN and HEARD now and the "SHOTS" fired are around "the worlds" to **PROCLAIM** the "seven day fast" not, but what are you **FASTING now? Until the "bridegroom" returns"**? Or what are you seeing or where is "The Bride" going now or to? From where, to meet what? Are the Bride and Groom united ONES AGAIN in matrimony of Israel being the Establishers thereof in the heavens and capitals thereof being all everywheres now that were once "allwheres" not but considered to be just "Lands of Men"?

5. And WHAT NEW things am I doing with the Surrendered in These Lands that DIVERSE are! And what am I "diversifying into" not; but **what IS COMING FORTH from my hands?** A great INCUBATORS style, not; but what styling I am my INCUBATORS, not; but what INCUBATIONALISTS I am, not; or INDUSTRIALISTS I am, not; or am I ALL of THESE THINGS that I have mentioned so far thusly in these things -- in **these Proclamations of Mine known now and are "numbered"** not for "numbering's sake" but I shall be PUBLISHED far and wide and MY WORDS will be known and **every word that has DECREE in it and every lesson that has PROCLAMATION in it and every DECLARATION of mine will be known and sown** -- asunder not, but coming unto me I grow MANY TREES with the RIGHT FUEL of me that ROCKETED is to a sphere of unme, not; but ME ESTABLISHING Israel far and wide, for the HEAVENS WILL OPEN and receive me unto itself and hide me "there forever" not or will I remain there "a moment" not, or will I be the "moment'er", not; or will I be THE ESTABLISHER of DE-MOMENTer that is momentuming the unme, not; but the unme that surrendered is to now me being me the "populace" grows as is was, not; but ALL THAT changes now that "was" like it was or "it seemed" like it was or I thought that I memory'd or memorized something that I recall as the way "it was". Or AM I REMEMBERING "things" the way IT WERE, it used to be, before the worlds WORLD'D me into its "shame and suffering"-itus villes that "spun" me around on its "looms" fingers and PLACED ME in its HOLDing-ville?

6. I have planted MANY THINGS by assimilation matrimony, not; or I have I MARRIED many things into THOUGHTS -ville, not; but what am I MAKING anew and afresh now the words that THE WORDS will be, that THE WORD is, that mortified aren't in their "personal bodies" but that are MORTIMER'D in me, not; or mortared not by the man's temple "of me" but the TEMPLES of ME rise now and mortified will be in "their blessings" not, but no longer do I do a "new work" not, I do THE WORKS of him who sent

me while it is day for the night perisheth, not; or has the night "gone" and THE DAY is here for ALL THINGS to be made new?

7. And am I the New Maker, the News Maker that makes all things new and The News writing -- before it happens? And many there will be that "see me" IN THEM who I am that THEY ARE no longer separate and apart from me, for they will see me as I am who they really are that I AM THEM! And I am I AM no longer referred to as apart from "them", for they will see that I reign in their "testimony of me", not; I will reign in word and deed now and I will establish many capitals -- not far and wide, not -- but know this I love thee, ALL of THEE I love and dearly will be all of you, not; I AM all of you now! I am the CHRIST of all of the surrendereds and not, for the nots won't be around spinning me around to say that I am not, for I will be The CHRIST in sufferings not, I will be OUT of THAT MESS tudes and the tudes that gave me the messes that spun my lives around into webs of deceit and numbered my days as man; but I will make all things new and I will UN NUMBER many things now that have been "numbered" as man's and all will know that I AM GOD and that GOD s reign as perfectly me's, not; or am I can I be me's apart from me, or is that an impossibility, or an oxymoron or an anomaly?

8. Or anomaly istic behavior pattern of mine, not; but what all PATTERNS of MINE will be known now or am I the DYNAMIC one who makes all things of sorrow, not; or am I calling "a spade a spade"? Looking up, now I do a GREAT MANY new things with The Seeds of me that I GROW into mighty "oak trees" looking up or into or what am I FIG'd with no longer so that I am GROWING MANY NEW THINGS in capitals I am establishing far and wide -- of the sorrowers, not; but the sorrowers now will come unto me and **my schools will be established far and wide** in the heavens of one who loves all to be the one that I am is.

9. Not foreign not, but foreign and not lovely not, but foreign and lovely, no longer foreigning themselves into foreign sville for all shall be my "brother and sister" and the fathers of tomorrow are now creating today's and here I am weds weddings and funerals not, for only the "marriages of the holy" now take place and I will know who I am, what I have, been given and what I am giving "away" and getting, not; or am I MARRYING the "same thing" I am or coming unto into **a New Revelation** of the SINNER not, but the Savior that I am revealing now in all capitals and EVERY CAPITAL of me where I am **establishing A SCHOOL, not, or many schools far and wide** throughout "the SPHERES" of me that I make known now unlimited form in being now fashioned and form formed of only me my words and MADE WAY now for I shall be "ballisticating you" not, or shall my words be ballistic to all else where I revitalize sorrow, not; but I rematerialize in ways never imagined after I have dematerialized, not; or am I materializing your eyes to see the un-materializable or can you see "Eliza Jane" not, but **one Barbara Jane's mine and I will know "their sorrow" not, but I will know their joy,**

for they shall reveal it far and wide for I shall be one and I know whose I am, whose I was, and I am now the one made whole establishing SCHOOLS far and wide. Of the devil, not; but never again will "the devil" be rampant in my schools where promulgated is only sorrow that heaps high on the head of the "students" the faculties who have eyes only for words that have b'sorrowed them for centuries on end and whored evils of evils with the horrors of evils that promulgated only sorrow's definitions of things that took me to the ground and raped me into whoreage pillagers being the ones that did this to me's. Or did I do this to my self's or do I or have I only one "self" or have I NONE? Or who spun me into "its web" to become a thought loom of evil?

10. I change everything and answered I have all these things in these words that I have given you in Database One and now School rises, in horror, not; but among many horrors **I raise MANY SCHOOLS of LIGHT and JOY** and you will not abate me or cap me in your theories of holiness or un or unme or un, for I will reveal the true me's who are unintimidatable and uninhibitable and uninhabitable by your words and your thoughts machines of "tomorrow" or yesteryear or yesterday or tomorrow, but the light reigns in peace I SHALL KNOW NOW, for my lover of you stands who loves you has and given you these words so freely has and have you TIME for them now to come unto them and know them and intimate be with them where you "outline" not "your thoughts" about them or do you let MY THOUGHTS reign in you so that you see what I am saying and take your pen and pick it up and utilize me for sorrow no more, but coming into these words write about them so that I write through you as you write about them in them writing them in your genes am I doing that which light is lighting you now?

11. What are you lighting with your words, gene's words, words of "genetic privilege" not or yes and also PROCLAIMED am I doing a NEW THING in the GENETICS SCHOOLS OF ME -- that reduce me to a "pulverized man" not or "woman" but what am I REGALIZING ALL now to be? Me! On the throne of one -- ALL OF YOU who are me now rejoice, for I have saved a "sinner saint" not, I have SAVED ONE who has risen himself out of sorrow by simply speaking his words not or the words of others but my words that I've given and 24/7 you shall know the words of the ancients, not; but the words of The New that I have given in this Database One that holy is for ALL HOLY to BE HOLY, THE HOLY ALL OF YOU ARE and will be established and these words that I am have given that I am is that I have refined and redetermined I am by them, not; but revealed I am have I by them? Yes.

12. And I love you all to be so refined and manners have that the king has that the king is revealing at my table in the skies, and I will be disguised no more by religion's guise or guile words that you emit or promulgate or propagate as you have in the past, for all of that is passé not, but it is exploded into sorrows, not; but the sorrows of its villes will be eradicated and you will be exonerated not unless you are surrendered to

be who I am is! The conqueror, not; the surrender of all to have it given to you so that you will be "your authority" not but you will be mine and reign as kings and queens of other, not; but the kings of light knowing all that you are one that I am and every man woman boy and girl I speak this to, and to this I proclaim your sorrow, not; but your sorrows have ended and your days are numbered, not; or are they "as a man and woman" or a "boy and girl" of "this world"?

13. Yes and amen. I make all things new and I ballisticate sorrow, not; but I ballistic am to the "things of me" that were unme or notme at all or not my heart or were so "intertwined" with evil that it "took and gave" you things at "the same time" that you didn't even know the difference or what was happening in the gift or the giver or the retainee or the bashee – or who were bashing you with untruth's words or truth words that light were or weren't or so intertwined it seemed gray, not; or is that what "gray matter" is -- for? Processing that? And discerning "evil" from good?

14. Or are you sensing me in different ways now -- that you have "grown up" and matured in these words that I have given you? That sorrow you not but sorrow only your sorrow or do you or will you have sorrow "wiped away" from you now so that YOUR REGAL BEAUTY emerges in UNTOLD ABUNDANCE now emergent is and unseen not any longer, but seeing now seeing now the SEEDS of ME fully grown and matured you will, for I will EAT of SORROW'S tree no longer, and the SEA of TRUTH will be known and watered me will be by me whose truthseeds are not hidden any more in "gray mattered" sorrowings devices that only emit sorrows to each other in sorrow's tudes and waves ways of vibrational frequencies and inherencies and "Herod's matters" not but I am not "washing my hands" of "this", I am PROCLAIMING PROCLARING DECLARING DECREEING THAT MINE ARE ME and THIS PLANET is mine and all of its sorrow now leaves! Or will it have never been when the redeemers are "finished"? I will have put all authority under my feet, for the ruler reigns in the kings who the kings are that surrendered have to be the kings!

15. I have said much "in this short word" or these "short words" that I post now are many or are they many of yours that posting you will be to others now and forwarding "these e-mails" and messages and lessons that go "back and forth" now -- between "the worlds" are you now establishing heavens there far and wide that schools are that reveal schools that reveal you are the kings! Of sorrows no more, be eradicated that from you all that, that robbed of was you is, or is you of or were you the robbers thereof of others, or trying "to figure all this out" not or are you?

16. Making "heads or tails" of this, not; but you are the one that is TAIL'd no longer in sorrow and no longer shall you have THE HEAD of sorrow on you but you will have THE HEAD of the risen king, for you will be the one who I have regalized in "solid light" not,

or am I that too? Or am I "solid light" not or am I "solid" not anything, or am I THE PERFECTLY formed one that forms EVERYTHING not in the "image" of "man and woman" and separating in separationistic anomalies of me forming in "personalities" of man women and children again, but knowing the full formed me, the FULLY FORMED ME rising now is all of you who will be me, in sorrow no longer. I raise you all to be me who I am **The Trees of Life that life is and know all of mine is one and the Trees of Eden are**, or are they not or are you them finally "resigned to be them" not, or are you surrendered to be the king's manners matters at the king's table bearing the king's business matters in worlds of other far and wide making the kings of matter me?

17. I have ask answered and said much and loved have I do I did and more so you shall know for I rise now in ways A KING of and now I shall be gone "tomorrow" not, or shall I be gone "in a moment" or shall I BE GONE as the way "we were" and we be rising a NEW WORLD now in ways never imagined by the sorrowers that we were, for now we let THE TEACHERS teach us who the teacher is who are all of us who have "gone through" walking through the door so that we know who our father is that's become us of one who's raised "the son, the daughter" of me to be me fully grown and feared, not; but speared not and sphere'd not as in the past –

18. Now I make all things new and you do who are me, for I am will be one and we will all be revealed right now in ways unimaginable by the minds of the sorrowers, but we who surrendered are know these words and come unto them daily? Or nightly or recording me or 24/7 being IN ME and being me revealed me revealing me is I am the ones who now know that ALL THINGS is possible for I am he who beholdeth me is me, and I am the "mirror on the wall" not, but I am the "proclaimer of words" not, I am the proclaimer of action in love that love is now actionated by the sorrowers who lay down sorrow and raise up light and rise up as the light and establish Israel in the capitals of the world and farther, and many capitals going to and "outlying areas" and coastlands and many islands being on, and fortitude'd not by sorrow anymore, I raise the capitals of me and **"niggardly students" I will not have, for I will not have "the part-time me"; the part-time me's will eradicated have been for they will have "self selected" them for sorrows who only want to "mix me" with iron and clay, their own; and they will eat of what "they mix".**

19. But I will not serve sorrow that way, I will eradicate the light, not; I will eradicate the clay so the light will rise and all will be known now far and wide who I am what I am have been given and how I operate -- the king as THE KING will be me who I are that is all of you surrender to be taught of the master to BE THE MASTER teacher I am and the breath of the holy will be known for limitless we are, we will be and the holy we rise and OUR WORDS will be IN THE HEARTS of all, for they will hear us 24/7 speaking of our love FOR EACH OTHER who we make whole and regal, and whores will not exist in our worlds

for they will have been "converted" not, or repented of what? Separation that they insisted on being "men and women" of other, something other called "mankind"?

20. I love you all and I have affirmed affied and affiant I make statements, not; but I have mentioned a great many things **in these words** and **I have given you ones "to frame" and put even on your walls** where you **declare me and speak the words** of sorrow, not; but declare to "all your friends" and evil ones, not; but seeing all as CHRIST now I are the one to declarate the lovers in the decorations of me now regal making me, with decorations of sorrow no more but the light WREATHED all about you is are now the ones who lift me my head upon you who thought me into something else but now know that I AM THE KING who you are who insist on being other never again.

21. I love you in the light I am made whole. I am you loving you far and wide and giving you many words! To bequeath you to sorrow's never again, but only me's rising now and the "capitals" of "the world" –s will be mine. Loving you all I am theodore cottingham this day giving you me rising me's far and wide. And the "schools of sorrow" will shut down, not; or will they "change hands" not or will they "convert to me's isms" not, or will they change everything about the ways they teach now for THEY WILL teach the testimony'er's methods and there will be many ALLIANCES ARRANGEMENTS and AGREEMENTS with MANY schools who INTERACT with ME on a GREAT LEVEL in the GRAND SCALE that lets none know sorrow, not; but the ones that are "affiliated with me" will know that I am no longer a theory or religion or doctrination of man or men's thought or women's or menkind's creations, but I am gods of the future, not; **I am the surrendereds who are here right now who** raise the lid off of me, not; but **are limitless and unboundary'd by man's thoughts for all authority is mine and I have been given everything and I love you to** be me establishing Israels far and wide that Israel is that I am that you are. We are one most holy and now we are -- resisting it no more. Amen.

22. We are birthed anew and in the heavens we are making revealing building the heavens! Of sorrow no more -- I wipe away every tear now and I heal you completely and my name shall be known for MY NAME is "yours", for you are mine for you take upon yourself your sorrowed names no longer for I will give you mine's and mine are mined right here in these words and I will "promise you forgiveness" not, I have already issued it and declared decrees of justice! And inequity, not; but in equity and justice there is love and my love rules and reigns, and the rulers of me reign in me to rule and reign perfectly accurately in love loving all to be the lovers I am, given in sorrow, not; but exonerated from "all that" of the past and now the future know I am doing NEW THINGS with all of you who will be me now my studenthood facultyhood and stafhood of many schools now making revealing far and wide in the one ones of me raising me's forever one's one are. Amen.

23. I love you all. This is theodore cottingham at 1:57 am. Thank you. Share these words freely.

2. "Lookups" are an integral part of our leadership development. Each time you see "look up" or "looking up" we all are being instructed to "look up" that word or phrase in Database One. Having a copy of Database One on your computer and making use of various desktop search tools to do these lookups is indispensable. The lookups link us to additional LESSONS that our instructor is linking us to as a part of THIS LESSON, thus the linkages made by lookups are a significant part of getting the whole picture, the message of what is being given us.
3. A zip file of all of the LESSONS of Database One may be downloaded free from our website.
